Risks and Issues								
Next Actions								

	Individual Activity Report							
Alan Stewart	Team Lead							
	Design Document Drafting				4			
	Sawtooth Generator							
	Team Meetings							
				Total	9			
Troy Bowers	Communications							
	Created visuals for updated amplifier section of Design document.							
	Completed PSPICE designs for Amplifier portion. Ready to begin simulations							
				Total	7.5			
Xilu Wang	Web Master							
	Revising Website				1			
	Working on user interface				2			
	Team Meeting				1			
				Total				
Dana Conrad								
					3			
	Revising Design Document, working on amplifier simulations							
	Team meetings				1			
				Total				
Jing Li	Key Concept Holder							
				T-4-1				
Kida Maali4				Total	(
